**STATEMENT OF SUBSTANCE OF INTERVIEW**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Examiner:

A telephone interview was held on Wednesday, October 4, 2006, at 2:00 p.m. (EST) between Examiner Ali and Applicants' representative, Janaki K. Davda.

During the telephone interview, the 35 U.S.C. 101 rejection of claims 1-36 was discussed. Additionally, Applicants' representative discussed that the claims are directed performing both a fixed width sort and a variable width sort, whereas the Call patent application is directed to fixed length binary integers. Examiner Ali indicated that proposed claim amendments appear to overcome the 35 U.S.C. 101 rejection. No other agreement was reached.

The attorney of record invites the Examiner to contact her at (310) 553-7973 if the Examiner believes such contact would advance the prosecution of the case.

Dated: October 4, 2006
